The European Law Students' Association

UKRAINE

## It's time to protect Intellectual Property

*International scientific law student conference with participation of specialists on the issue*

*"Urgent problems of intellectual property rights protection: theory and practice"*

**Date:** 25/03/2009 - 27/03/2009

**Place:** Kharkiv, Yaroslav The Wise National Law Academy of Ukraine

**Working languages:** English, Ukrainian, Russian;

**The aim:**

- To attract youth and specialists to discuss urgent problems of intellectual property rights protection;
- To research the practice in this field;

- To work out and update mechanisms of practicable application of the legislation in the field of intellectual property.

### **Short description of event:**

The conference provides the specialists' speeches about current problems in the field of intellectual property, reports of participants, discussions with the participation of best specialists. The experts from international organizations, leading universities of Ukraine, the State Department of Intellectual Property, as well as practical lawyers are planned to be involved in the conference.

**Sections:** The conference is to be hold with the division into four sections:

I section – Legal regulation of copyright protection;

II section – Patent law, legal regulation of appropriation means and protection of unconventional results of intellectual property;

III section – European Community and Ukraine: harmonization issues;

IV section – Intellectual Property and Human Rights

The topic of report within the theme of the conference is to be chosen by the participant.

### **Expected results:**

- To form out the research group for persistent development of legal initiatives with involving law students and young lawyers in this process.
- To establish constant relations between theorists and practitioners, students and specialists in the field of intellectual property.
